

Calvary Chapel Children's Ministry

Volunteer Co-Op

Our Children's Ministry is a co-operative between our parents and our church. Our mission is to assist parents in bringing their children up in Christ. We encourage all parents to be involved in the ministry in some way. We also welcome those of you that do not have children in our ministry to serve God and the parents by volunteering. We are continually recruiting volunteers. We ask that, if you are not currently serving in another ministry of our church, all parents volunteer for one of the areas listed below. Please fill out your name and phone number, select your preferred service time and the area you would like to volunteer. You may drop this form into the offering plate during service, drop it by our Church Office, or contact Margie Coker at 951-2273 or cokermw@sc.rr.com. Thank you.
